

Incubator (9F Space)

We welcome early-stage startups, teams, and individuals to apply.

Background preferred: ICT, healthcare, lifestyle, and hardware/software integration.

Early-stage startups/teams	Individuals
<ul style="list-style-type: none">◆ Built less than 1 year, with prototype, product, or service;◆ Seeking to raise funds and to go global;◆ With founder(s) working full time for the business.	<ul style="list-style-type: none">◆ Designers, programmers, engineers, and people who determine to start up a business or work with startups;◆ Media partners are also welcomed.

What you get

As a resident of this space, you are eligible to use the following facilities:

- ◆ Meeting Room *2 (by booking)
- ◆ Mini Kitchen Bar
- ◆ Training Room*1 (by booking)
- ◆ Copy Machine

You are also entitled to the following services:

Funding

Garage+ hosts two demo shows every year for startup teams to meet venture capitalists & angel partners.

Mentoring

We have more than 40 mentors who are serial/seasoned entrepreneurs and legal/accounting experts. Each month, we invite 2-3 mentors to meet the founders.

Training & Experience-sharing

You are invited to join the workshops on Corporate Structure, Financial Planning, Valuation, Term Sheet, etc. We also host gatherings almost every month, inviting Garage+ alumni to share their valuable experiences and lessons.

Recruiting

Right people is the key to success! Garage+ helps recruit entrepreneurial colleagues and interns from Epoch Foundation's noted talent community, Talent.net (www.talent.net), composed of young talents trained by the foundation since 2002.

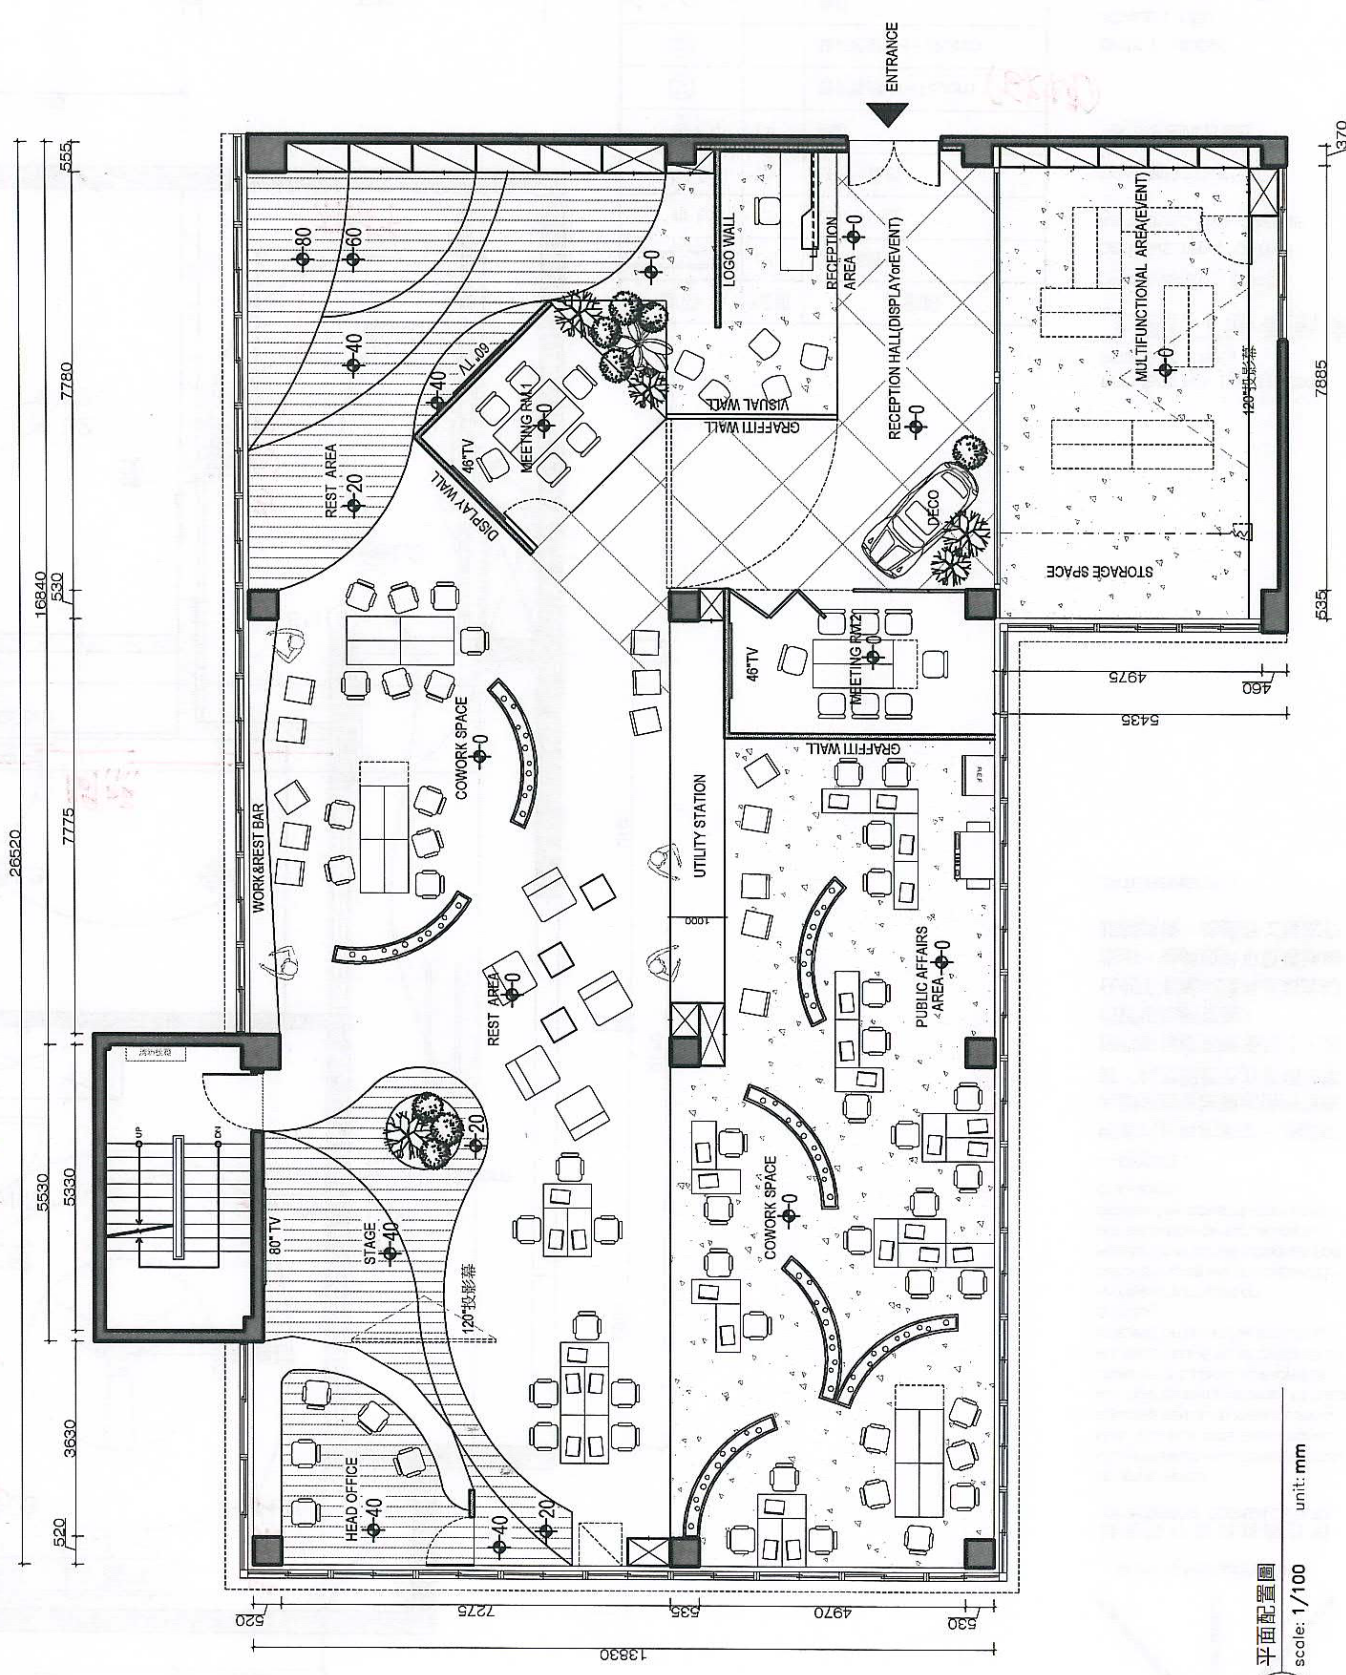

Fee

NTD\$3,000 (~US\$100)/per month/per person (*Open Hours: 10am-7pm)

*The rate includes costs of water, electricity, paper, and administrative service, etc.
